

CLT CONFERENCES

10 March 2014

Mr Tim Stirling

Dear Mr Stirling

Grapes, Gravel and Gritting

I have now had the opportunity to review the assessment reports from the delegates who attended this conference and I am writing again to thank you for participating.

It is clear from these reports that the delegates found both the day, and your particular contribution, interesting and informative.

Particular comments include:

- Tim Sterling – very interesting

An indication of the delegates' ratings for the content of your talk, your presentation skills and material is shown below:

	Excellent	Good	Satisfactory	Poor
Content of Talk	4	9	1	0
Presentation Skills	7	6	1	0
Material	10	3	1	0

The delegates' overall rating for the conference as a whole is as follows:

Overall assessment	6	6	2	0
--------------------	---	---	---	---

I hope that this level of feedback is helpful to you. If you would like to discuss the conference in more detail then please telephone me – my direct number is 01243 522208

Unfortunately we have no plans to repeat this conference next year, because of the relatively low number of delegates who attended. We will however be running other personal injury conferences and I hope you will be willing to speak at other CLT events.

Once again, thank you for your help.

Yours sincerely

(Mrs) Gillian Ellis
